to hold up your...the advancement of your bill, but I wish you'd ask the Attorney General about this by...in writing. I'd sure like to know if he could fly in face of the United States Supreme Court ruling, too.

SENATOR CLARK: I asked Mr. Mosher before...

SENATOR SYAS: Who.

SENATOR CLARK: Mosher, Harold Mosher, before I ever had this drafted.

SENATOR SYAS: Who is Harold Mosher?

SENATOR CLARK: He's in the Attorney General's office.

SENATOR SYAS: Oh. Well, why don't you ask him to have it in writing?

SENATOR CLARK: I'd be very happy to have it in writing.

SENATOR SYAS: You do that. Will you, please? I won't hold up your bill today.

SENATOR CLARK: All right.

SPEAKER: Any other discussion..

SENATOR CLARK: I would ask for the adoption of the amendment.

SPEAKER: Any other discussion? Do you care to close on the amendment, Senator Clark?

SENATOR CLARK: No.

SPEAKER: All those in favor of the amendment, say aye. Those opposed say no. The motion carried.

SENATOR CLARK: Now, I would like to have him take up the other amendment, if possible.

The ones that their attorneys drew up and the other one does. They will have to correlate the two amendments in E & R, but what this does is to let it go to the state if the state highway goes by the section and I would ask the adoption of this amendment.

SPEAKER: Any discussion on the second amendment? Do you care to close, Senator Clark?

SENATOR CLARK: No closing.

SPEAKER: Those in favor of the amendment say aye. Those opposed no. The amendment carries.

CLERK: There are no further amendments.

SENATOR CLARK: I would ask that the bill be advanced to E & R for Review. Now, I have explained the bill. I am sure of that because the amendments really are the bill. That's exactly what the bill is intended to do. I'd ask the bill be advanced to E & R, please.

SPEAKER: Senator Syas, your light is on. Did you wish to
